いちばんのつぼみ

いちこのきもち

ここにすれ、はじめまして、angelboxの創り手です。
この度はこの冊子を手にとってくださってありがとうございます。
今回はご要望の方だった、そして自分で考えたかった様々な書物です。
また僕は本もこの本で8冊目です。
出し始めた時は、まだ僕がこままで何事とも思わなかったでして。
それだけトバコに魅力があるんだと思います。
でもアニメも読書も、ゲームも習い事、ドラッグCDセル・ゲームで習得、
小説も3冊で終った時は迷宮だけになってしまっ、
ちょっと寂しいです (TΔT)
また何方しらオフィシャルで働きがある素晴らしい人だけとなー。
2冊やって欲しいな。

今回は2冊のサンタリを合わせて両方出したと思います。
読後は御覧をどうぞください (▽)
感想などありましたら、送っていただけるまで結構嬉しいです！
ではでは最後までお付き合いください。

...ahh...
First year
Okunaka
Tsubomi-
chan...
wasn't it?

Haha-rrr,
I see

Ehr

You have
been
looking
this way
for a
while... Is
something
wrong?

Eh... I

Ya...
Yara-Chan

But you
can't have
her, Hikari
belongs to
me

No...
Yara-
mpai...

No...

You are
a fan of
Hikari,
right?

Wh... what
did you say?

What...
What are
I saying?

Please
stop away
from
Hikari-
sempai!

Please
stop
it!

Ca. can't
you see that
Hikari-
sempai
doesn't
like it?

CONFUSION

...but

What...

I finally...
got to
speak to
her

Please
stop it,
both
of you

you're
quite
cheeky
for a first
year

Didn't you
hear any?

Hikari-
sempai-I

Just
being
together
like this

Since then
I have only
quarrelled
with
Yasei-sempai,
but even
that is
fine

Yes, of course

Is it okay if we walk back together?

B
U
B
B
L
E

My eyes wouldn't acknowledge anyone but Hikari-sempai

An, is that so

BUCKLE

I was right beside her so there is no way you couldn't have seen me, you're doing it on purpose, right?

Ooh, Yare-sempai is also here!

"Is also here". You say... Now listen-

B

Bee

I know

Tsubomi, don't make any passes on Hikari just because I'm not around

What is it, Yare-Chan?

—ah!

Okay

The teacher needed me, I have to return to school. I'm sorry, Hikari, go on without me

Certainly...

Being the club's vice president must be enough, ne

Don't worry, I understand

Ah! no, I'm sorry. I'm being so tense

The one you really like is Yana-Chan, isn't it?

You become so quiet when Yana-Chan isn't around. Tsubomi-chan

H-hari-
sompai...

N. No, I don't
I...

I'm
sorry

There is
no need to
apologize,
that's not
why I said
it

It's okay,
you can't
fool me

When I
was
alone...
it wasn't
so,
right?

Because when
you looked in
my direction
always seemed
to be when I
was together
with Yaya-chan

Place
when...
uhm...

Have
you
known?

Haru-
sompai
sompai...

So then
I thought,
maybe...

En

Ohh-
From the
start, I
guess

Are
you really
okay with
the way
things are
now?

I am...

I thought
that maybe you
said that you
liked me because
you didn't want
Yaya-chan to
know

So I too
pretended
not to notice
and left it
at that

So
that's
how it
was

I'm
really
sorry

It's
okay,
don't
worry
about
it

But

Hikari-senpai?

I also
thought
so about
Amai-
senpai

Ah-hah

...Fine

But
because
Yara-
senpai
likes
Hikari-
senpai

Therefore I
think it would be
better if you too
gathered your
courage and
became honest

But by
gathering
my courage
and taking
part in the
Exotic
election, I
have now
become
really
happy

Ah, Yare-
chan

Nm-?

You have
actually
noticed,
haven't
you?

Tsumobi-
chan's
feelings

...I
know

Aahh-
There was
a nice
birth-

Hikari...

Tsumobi-
chan really-

Then,
what
about
you?

But she is
hiding it,
so it's better
to pretend
not to know

Your
feelings?

Hikari...

Don't try
to fool
me, Yara-
chan!

Tsubomi-
chan... you
like her,
right?

What?
Stop
joking,
Hikari!

I...

You are saying that she isn't honest but

It seems like you have so much fun when you are talking to her

Hikari

I don't think you are being honest either

Hikari...

Want you to become happy

You have become really grownup since you became Exotic, haven't your

Eh? That isn't true

It is

I just...

Thank
you,
Hina!

Because
I hurt
you

That's
not so

I know
it's very
s selfish
of me

D, do you
have any
business
with me?
I'm quite
busy...

16

Honest...?

Tsunobu

Can I
have a
mommy?

Yara-
sama!

What do
you think
of me?

What
is it?

Tou
bon!

17

I

Wh, what
are you
saying
all of a
sudden?

Em

Th... That's a lot
Because, you...
Hikari-senpai...

That's
right,
I loved
her

love
you,
Toubon!

At first,
seeing Hikari
together with
Amane-sama
was painful

But now
I love
you

18

To begin with,
I thought you
were just a cheeky
underclassman,
but eventually
the time I spent
with you became
enjoyable

Your
sympa!

But in those
moments
Tsubomi gave
me relief.
Arguing with
you made me
feel better.
It's all
thanks
to you

Hikari-sensei,
please lend me
your strength

I...
I...

But what
about you?

But am I
the only
one who
thinks so?

Ok...

Don't worry, Himeji is at Anane's place

Go? Where?

My room

Well then, let's go

grrrr

I will not say something like that!

Wait, don't hinder it...

I won't stop that! Even if you say you don't give it

Ah, that's right, just one thing

grrrr

Ah...

Because Yare-
sempai was so
slow in getting
ready we were
late behind

One where
is Hikari-
chan today?

She went
earlier with
Amane-
sempai

Fuhhn,
is that
so

It was because
you overslept,
wasn't it?

I did
what?

Th, that's
what you
did!

What is that
supposed to
mean?

That
exactly?

We'll
go on
ahead

A-ya, is
it really
okay to
be saying
that

I hate you,
Yare-sempai

We are grateful for any comment, suggestion and reasonable criticism. You may also request the scanlation of a specific doujinshi, h-manga etc. But since the world is flowing over with (bad) doujinshi and h-manga, we will only do those we feel are worthy of a scanlation, which is only a select few.
